13 Mar 2023 Fri :

Do you want to sit tomorrow afternoon to study for the algorithms test next Friday?

- You weren't answering my calls or responding to my texts so I straight up emailed you...

How on earth should I
keep track of these
events and reminders
if they are
sent via
email?

Oh I know! I'll just use
that Gmail add-on to
add them to my calendar
automatically.
